At the elite level, sport has moved from being an amateur pastime to one of the world's most significant industries. Read more Physical Literacy on the Move was written to help educators of children and youths from grades K through 12 teach high-quality and fun games and activities that support the unique needs of their learners as they develop physical literacy. However, you may visit "Cookie Settings" to provide a controlled consent.Cookie SettingsAccept AllManage consent View All Book Series BOOK SERIES About the Series This Sport Management Series has been providing a range of texts for core subjects in undergraduate sport business and management courses around the world for more than 10 years. Read more Now that interpretation of glenohumeral joint ROM has been discussed, this section outlines specific techniques to increase IR ROM in the patient with shoulder dysfunction. By Aaron C.T. Smith, Bob Stewart January 06, 2015 Introduction to Sport Marketing is an accessible and engaging introduction to key concepts and best practice in sport marketing. By Russell Hoye, Graham Cuskelly November 03, 2006 Sport Governance provides a comprehensive guide to the practical application of governance principles to amateur and professional sport organisations operating at the community, state/provincial, national, and international levels. Now in a fully revised and ... To support their use by academics, each text is supported by current case studies, targeted study questions, further reading lists, links to relevant web-based resources, and supplementary online materials such as case study questions and classroom presentation aids. With only 3 downs to make 10 yards, the quarterback really has to be a playmaker. Managing sport organizations at the start of the 21st century involves the application of techniques and strategies evident in leading business, government and nonprofit organizations. The growth and professionalization of sport has driven changes in the consumption and production of sport and in the management of sporting organizations at all levels of sport. By Matthew Nicholson, Anthony Kerr, Merryn Sherwood June 22, 2015 Successful media relations and a sound communication strategy are essential for all sport organizations. SC1: Capacity to generate an elaborated discourse and intervene with objective criteria on the different areas that make up sports management.SC2: Capacity to analyse, integrate and evaluate information coming from the legal and socio-economic environment, necessary for making decisions.SC3: Capacity to develop effective two-way communication (speaking and listening) among the different roles in the field of administration and sport: manager, employees, clients, etc.SC4: Capacity to design and develop sports services that promote the values inherent to sports practice. Naraine, Catherine Ordway February 28, 2022 Now available in a fully revised and updated sixth edition, Sport Management: Principles and Applications tells you everything you need to know about the contemporary sport industry. By clicking "Accept All", you consent to the use of ALL the cookies. Read more Most coaching books start with a discussion of the importance of creating a coaching philosophy and follow up with a section on creating goals. It describes the evolution of sport from a kitchen-table operation into the sophisticated, boardroom-driven global financial industry that it is today. By Barrie Houlihan, Matthew Nicholson, Russell Hoye August 28, 2009 Sport and Policy is the first book of its kind to critically analyse the regulatory role of the state and its impact on sport and the intersections of sport with other areas of government policy. Russell HoyeLa Trobe University, Australia But to define a coaching philosophy and set goals, you must first understand and express why you coach and what principles will guide how you coach. Read more As a coach, especially an experienced coach, at some point you've heard yourself mumble, "I just don't understand players today!" Read more Phone: 800-465-7301 Toll Free Skip to content We use cookies on our website to give you the most relevant experience by remembering your preferences and repeat visits. Specifically designed to make ... Covering both the professional and nonprofit sectors, and with more international material than any other ... SC5: Capacity to assess and apply principles of social responsibility in the company, paying particular attention to environmental management as well as to human rights and the principle of equality, focusing on compliance with current legislation and identifying it as a source of opportunities for business success, in order to reinforce the company's image and production process.SC6: Capacity to identify inadequate practices that pose a risk to health to avoid and correct them in different types of populations.SC7: Capacity to analyse and apply physiological, biomechanical, psychological and social principles to the fields of physical activity, sport and recreation.SC8: Capacity to train both individual and group teams in the development of tasks, protocols, processes and activities related to good exercise practices and physical activity.SC9: Capacity to select and know how to use the appropriate sports material and equipment for each activity, identifying the technical characteristics of the different sports spaces.SC10: Capacity to plan, programme, apply, control and evaluate training and competition processes at different levels and ages.SC11: Knowledge of the functional areas of sports companies (Sports Finance, Sports Accounting, HR, Sports Marketing and Sports Production)SC12: Capacity to critically implement innovation opportunities as a means of company growth.SC13: Capacity to interpret sport business opportunities in national and international contexts according to objective criteria.SC14: Capacity to carry out strategic analyses and propose creative solutions adapted to the situation of the sports company and its environment.SC15: Capacity to make decisions in the design and implementation of a Sports Business Plan: Commercial viability, Economic-financial viability and Technical viability.SC16: Capacity to use and interpret the technical and IT tools necessary for the effective and efficient management of a company.SC17: Capacity to define, apply and explain the strategic management process in sports companies and identify the different phases that comprise it: planning, organisation, management and control.SC18: Knowledge of the management tools used in entities that undertake physical activity services in any of its variants (recreation, health, sport, education, etc.).
