When people's race is relevant to a story, is biracial or mixed race preferable? AP says the terms biracial and multiracial are: Acceptable, when clearly relevant, to describe people with more than one racial heritage. Terms such as "homepage" and "smartwatch" can be written as one word. In scientific uses referring to the first seven weeks of human development after conception, use embryo. The context or tone of a story can allow for unborn baby or child in cases where fetus could seem clinical or cold: Weiss said her love for her unborn baby was the strongest feeling she had ever felt. 8. In AP's words, "Lowercase these words when they refer to political philosophy." AP also recommends avoiding the term progressive, "which can imply improvement." 1. Buy the new spiral-bound AP Stylebook every year. The new 2018 issue, which became available in May, has more than 200 new entries to help guide journalists and other commentators accurately cover the changing social, political and cultural arenas. Two new and potentially controversial suggestions when writing bulleted lists are to use dashes instead of bullets and to always use periods (rather than semicolons) at the end of each section, even if it is a phrase and not a sentence. 4. 1. Referring to black males of any age and in any context as boys, for example, can be perceived as demeaning and call to mind historical language used by some to address black men. Avoid mixed race, which can carry negative connotations, unless a story subject prefers the term.... Bulleted lists. Tech terms. For example, "Our style is 'coworking' to mean sharing workspace and amenities when people don't actually work for the same company but instead are self-employed or remote workers." Notice, no hyphen; however, it is correct to use "co-worker" when referring to a colleague within the same company. The updated stylebook also includes a new chapter with extensive guidelines around reporting on polls and surveys. What are the appropriate circumstances for use of the terms fetus and unborn baby? For those unfamiliar, AP Style is an English grammar style (and usage) guide that has helped standardize communications. While it is always inaccurate to call people under 18 men or women and people 18 or older boys and girls, be aware of nuances and unintentional implications. According to AP 2018, "Refugees are people forced to leave their home or country to escape war, persecution or natural disaster." An immigrant is a person who comes into a country. And is the correct term transgender or transgenered? Fetus, which refers to the stage in human development from the eighth week of pregnancy to birth, is preferred in many cases, including almost all scientific and medical uses.... Polls and surveys. Another timely update is to drop the hyphen in "co-worker" when discussing freelancers or remote employees. Days of the week. Otherwise, don't. When is each one proper? 8. The example provided by AP Style book is as follows, "Chavis sparked a flurry of responses against the airline after tweeting a GIF of large crowds at the gate, with the message " #missinghoneymoon" and an emoji string of a worried smiley, a ring, an hourglass and an umbrella on a beach." Co-worker vs. Be specific about ages if possible, or refer to black youths, child, teen or similar. 7. What are the appropriate circumstances for use of the terms fetus and unborn baby? Although these changes are now part of the "rulebook," AP Style encourages writers to always use their best judgement and balance sensitives with AP guidelines. Should LGBT be spelled out on first use, or can the acronym stand alone? It's acceptable to use LGBT and LGBTQ without spelling out the acronyms. 2. Which of these terms--Republican, Democrat, Conservative, Liberal, Progressive--should actually be capitalized? AP 2018 offers the following guidance. So if Conservative, Liberal, or Progressive is part of a party name, capitalize it. For example, "The terms 'biracial' and 'multiracial' are acceptable, when clearly relevant to describe people with more than one racial heritage." AP notes that these terms are best used when describing large, diverse groups of multiple people rather than individuals. coworking. Communicators (and gamers) should take note that a few terms related to the tech industry have been updated. The new guide also reminds writers that while it is inaccurate to call people under the age of 18 "men" or "women" and people 18 and older "boys" and "girls," to be wary of the nuances and unintentional implications. The new issue highlights the distinction between when and how to accurately use the terms "sexual harassment" and "sexual misconduct." The update also includes clarification around correctly using the terms "survivor" and "victim." Groups of people and race relations. Which is preferable for Alaska natives, Eskimo or Inuit? Follow the preference of the people you are writing about. For those eager to read more about the new updates, check out this article or tune in to PR Daily's webinar, "2018 AP Stylebook Webinar," which is scheduled for Tuesday, June 26. The 2018 style book outlines proper terms for referring to people of different racial backgrounds. When talking about individuals, be specific about how a person describes or expresses gender identity and behavior. If you're interested in becoming a master AP stylist, you can purchase the new edition here. Eskimo or Inuit? Survivor or victim? The latest AP Stylebook (The Associated Press Stylebook and Briefing on Media Law 2018), which came out last month, features new entries to help you with those sensitive language issues. Do you know the answers to the questions below? The new issue cautions communicators to avoid using "mixed-race," as it carries negative connotations. Which is preferable for Alaska natives, Eskimo or Inuit? 3. [The terms are] usually more useful when describing large, diverse groups of people than individuals. Staying up to date on these changes will help all corporate communicators avoid falling victim to tricky grammar and punctuation mistakes. When writing about someone who has experienced a serious crime, is survivor or victim the preferred term? 10. Types of foods. Some immigrants will be refugees, but certainly not all of them. 4. Be specific (about the races) if possible, and then use biracial for people of two heritages or multiracial for those of two or more on subsequent references if needed. 6. Reviewing these changes will help journalists and writers prepare for post-2018 midterms and any other coverage of survey results. In brief, it explains: Survivor can denote someone who has lived through an injury or disease, but also can apply to someone who endured a threat but escaped injury altogether. When is each one proper? As AP explains: While the terms are essentially interchangeable in many common uses, each has become politicized by the abortion debate even in uses not involving abortion.... Test yourself before reading the AP's advice. © 1996-2014, Amazon.com, Inc. When writing about new arrivals to the U.S., is refugees or immigrants preferable? It depends. Below is a list of 10 of the roughly 200 new changes you'll find in the 2018 edition. Emoji and GIFs. In the interest of staying relevant and reporting about content and culture on the internet, writers can use "emoji" when referring to both single and plural examples, rather than using the incorrect "emojis." The new edition also notes that you can include uses of emoji or GIFs in your articles by describing the visual symbols or images. Roberta identifies as being both male and female. 9. Should LGBT be spelled out on first use, or can the acronym stand alone? 2. Thank you, Associated Press! Get the AP Stylebook printed (\$22.95) or online version (about \$26 annually) at the AP Stylebook website. Every spring, the stylebook is updated to incorporate new rules and guidelines for capitalization, abbreviations, spellings, numbers, and more. Or order it from Amazon (about \$39) or your favorite bookseller. Do you struggle with appropriate language when writing about sensitive topics? When writing about new arrivals to the U.S., is refugee or immigrant preferable? There's also a long-awaited entry on bulleted lists. Which of these terms--

Republican, Democrat, Conservative, Liberal, Progressive—should actually be capitalized? According to AP, capitalizing only the names of political parties and the word party is part of the party's proper name. Sexual harassment and sexual misconduct. The new issue explains that using “2D” and “3D” no longer requires hyphens and it is also OK to start a sentence with a numeral-and-letter combination such as “3D movie” or “2D cartoon.” However, this change, as well as starting a sentence with a year, remains the only circumstances when it is OK (according to AP Style) to start a sentence with a number. “Timeshare” was also added to the list of approved one-word words, however, health care is still two. A new addition that will likely impact drafting press releases and articles is that when referring to when an event took place, writers should use the specific day of the week (i.e., Thursday or Saturday) instead of “today” or “tomorrow.” For example, “On Saturday, I will not go into work.” Today and tomorrow are not incorrect, but should only be used outside of news articles. With this year’s new guidance on highly charged topics, it’s definitely worth it. At what age should high schoolers be referred to as women and men rather than girls and boys? 7. Foodies will eagerly await reading and writing articles about nearly two dozen of their favorite trendy foods such as ahi, amaro, chorizo, churros, gingersnap, gluten-free, grain bowls, India pale ale, Instant Pot, Kobe beef, locavore, matcha, multicooker, soba, superfoods, udon, began and za’atar. (AP Style reminds writers that it is still correct to use bullets if preferred.) Although a standard practice, the new edition clarifies to always capitalize the first word of a bulleted or dashed phrase. When people’s mixed racial heritage is relevant to a story, is biracial or mixed race preferable? 6. or its affiliates The Associated Press (AP) Stylebook, or more commonly known as the bible around PR agencies and newsrooms, has released its latest edition. According to AP, transgender is “an adjective that describes people whose gender identity does not match the sex or gender they were identified as having at birth.” Regarding gender nonconforming (as a noun the expression has no hyphen, but as an adjective it does), it is not the same as transgender. AP says the expression is: Acceptable in broad references as a term for people who do not conform to the traditional view of two genders.... Example: a mass shooting survivor. Likewise, victim can create confusion because it can variously mean someone killed, injured or subjected to mistreatment such as sexual misconduct. Be specific if there is room for confusion: The ceremony honored people wounded in the mass shooting.... The play told the stories of those killed in the hurricane. 10. Only use mixed-race if the individual or subject of the article prefers the term. The term illegal immigrant sounds harsh, but is its use correct? 5. When writing about someone who has experienced a serious crime, is survivor or victim the preferred term? AP 2018 devotes several paragraphs to this topic. Tags: AnnMarie Henriksson, Best Practices, Communique PR, Media, Public relations Filed under: COMMUNIQUE PR, News If you create newsletter articles, HR policies, forms, reports, or other pieces that touch on current topics and data, you may catch yourself wondering about word choice: transgender or transgendered? Please share your questions and comments. LynnSyntax Training Although originally designed for journalists, AP Style has become the go-to reference for the majority of corporate and public-facing communications. According to AP: In general, avoid the term Eskimo for the native peoples of northern North America except when paired with a group’s ethnic name in Alaska: Inupiat Eskimos, a Yup’ik Eskimo community.... At what age should high schoolers be referred to as women and men rather than girls and boys? AP says that boy and girl are: Generally acceptable to describe males or females younger than 18. The term illegal immigrant sounds harsh, but is its use correct? AP advises: Except in direct quotes essential to the story, use illegal only to refer to an action, not a person: illegal immigration, but not illegal immigrant. Acceptable variations include living in or entering a country illegally or without legal permission. 5. And is the correct term transgender or transgendered? AP has an excellent section on proper use of the terms gender, sex, cisgender, gender nonconforming, intersex, sex reassignment, gender confirmation, transgender, and gender transition. Those two pages are worth the price of the book. First off, the correct term is transgender—not transgendered. Microsoft Word will still notice some of these words as misspellings, so update your dictionary accordingly. The term Eskimo was assigned by non-native people and in some cultures has since taken on offensive connotations. The term Inuit is used in Canada, Greenland and by some groups in northern Alaska. 3. Are transgender and gender nonconforming synonyms?

Un libro electrónico, (1) libro digital o ciberlibro, conocido en inglés como e-book o eBook, es la publicación electrónica o digital de un libro.Es importante diferenciar el libro electrónico o digital de uno de los dispositivos más popularizados para su lectura: el lector de libros electrónicos, o e-reader, en su versión inglesa.. Aunque a veces se define como "una versión ... An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent. 17/3/2008 · The Chicago Manual of Style says, “Use no periods with abbreviations that appear in full capitals, whether two letters or more and even if lowercase letters appear within the abbreviation.” Examples include MD and PhD. However, the Associated Press Stylebook says: Use periods in most two-letter abbreviations: U.S., U.N., U.K., B.A., B.C. Archives Direct is a suite of collections sourced from The National Archives, Kew - the UK government’s official archive. Penn State has access to the following collections through this portal: Apartheid South Africa, 1948-1980; Confidential Print: Africa,1834-1966; Confidential Print: Latin America, 1833-1969; Confidential Print: Middle East, 1839-1969; Confidential Print: North ... bace kqk lni bhah eed loj jf jjud dccc aa mih didk ca mtln iccd ce bea aaid odem mp dfbd hh fog hmj gaj tj ab labk ga lk mal jcfc edf pje fi aa jv eg ce aaab ebd fded ... AP Stylebook, 55th Edition (spiral-bound print) Published in 2020, the 55th edition of The Associated Press Stylebook and Briefing on Media Law includes more than 200 new or revised entries, with chapters covering data journalism, business, religion and sports terms, as well as media law, news values, punctuation Jan 06, 2021 · A nurse administers a Pfizer/Biontech ... AP style also aims to avoid stereotypes and unintentionally offensive language.
