Ragnarok M: Eternal Love APK is going to receive its largest update yet - RO2.0! RO2.0 contains the promise of luminous and distant lands. In the past, we went together on an "adventure of love and courage". But as we wait for the future, the adventure will never end really over ... we promise to become a better version of ourselves in the future and continue this trip with you! Our adventure is about to go to a new continent - Asgard, and a new "Ninja" partner will join our adventure team! At the same time, a new series of servers has been opened. We welcome all the adventurers to join this new adventure. New players can start from the Academy and levels rapidly up to level 120 and T4 base work classes. Start from a higher level and immerse yourself in an exciting adventure! Parts for an adventure of love and courage, pursue the promise of a luminous and distant land! A brand new map, "Eclage", has arrived in the land of the Pixie! At the top of Yggdrasil, which overlooks the Star Bridge, there is a place that belongs to the Pixies! "The glorious domain. When the Star Star Bridge destroys the peace and tranquility of this kingdom, you will choose to honor Your protection oath or rush to freedom? Go to the Kingdom of "Eclage" and travel in the unexplored territory on the other side of the Star bridge! A new server offers a stress-free starting point for adventures! Now that our New server is open, neophytes can sign up "Cryptura Academy", complete a 30-minute input ceremony and immediately level up to the base level 120. In 2 days, you can reach T4 and easily recover after 21 days! Start on a new adventure that explodes from excitement! A new class "Ninja" with hundreds of Ninjutsu for different combinations! The ninja emerge from darkness with a very blurred spiritual power and a series of hand seals and Jutsu fed by it! In addition to presenting a new mechanism for automatic attack and combos, they also have skills from three branches of major skills, including flowing blade, wind monster and Ninjutsu, which allows a more versatile ninja build! A new dungeon, "beauty palace" and "brooke" partner a treasure that has been handed down from generation to generation by Pixies is attracting the courtesy of strangers. Now, a new crisis has emerged! Proceed to our new map "Palazzo della Bellezza" and gradually awakens the hidden power of "Brooke". You can grow your powers along with "Brooke" in the land of Pixies! New Special Crossover event launched: Slayers Premium! Advance Your magic and becomes the best slayer! Lina inverse, Gourry Gabriel and Zelgadis will arrive on the continent of Midgard to explore the mysteries of magical words with you. Advance to become a formidable shooter, resist the race of the demon's demon, and take a new adventure! Gameplay when you commit to Ragnarok M: Eternal Love, enter a vast world with many exotic locations. In general, the gameplay is located in the MMORPG gameplay, everything happens in real time. First choose your favorite character, choose a character to exchange and destroy all the monsters in the village. 5 characters Class Ragnarok M Eternal Love has 5 classes of characters to choose from. The first is a murderer that has excellent damage management capabilities, very good revision of the damage and quickly kills an enemy. However, Killer HP is very low. And the defense figures are low so that they can "evaporate" quickly, allowing players to take part in agile combat and correctly. In appropriate way, the table sits to be able to survive and face a lot of harmful color skills. To some extent, the next character with the same of the wizard is a priest. This character can enhance the HP, the mind and the allies, which can help you win the battle. He does not have much survival for his defense and HOD HOD capacity. This character prefers to fight using various skills and damage the opponents. And at the end, the blacksmith very high was like a horse. horse. The abilities are varied, increasing the power of weapons, preparing weapons, increasing the number of attacks and much more. Ragnarok M: Every character of eternal love has two main abilities: adventure skill and character skill skills. These ability will help your character to earn power and inflict heavy damage while fighting enemies or boss/pets - real friends on the version of Battlefield! This Mobile also has pets to help you during fighting. They look very nice and sociable. But there are great combat capabilities. You can take them to adventures, they are great friends. You must also give them to eat and take care of them. Interaction Ragnarok M: Player player interaction is much better in eternal love than in other games. You can combat other players, complete missions or destroy bosses. Each player can express their feelings while interacting with other players, even fun moves. In this game, players can also get married. The wedding takes place in the church, guests are your friends in this game. Design Ragnarok M Eternal Love is beautifully made with splendid soul fonts. In the first image you can see that the game preserves the essence of the PC version that players have long known. With over 40 maps of classic cities like Izul, Morocco, maps are rich and beautiful. INTRODUCTION TO THE GAME! WRITING YOU AS AVENTURIARO. Over the past 4 years, Mobile Online Ragnarok: Eternal love crossed in lot , and RO2.0 that launched us early this year in a new world and age. Now we are traveling the long-awaited comfortable and start our new adventure in that dream land! Set we go to navigate for the new version, dreams islands and head directly for the summer dream party! In addition to having the new map unlocked, you can enjoy the view of the beach sunset with magnificent magnificent! There is a new dungeon, an event has happened on the island of the Ponape Museum for 1000-year warts to be revived, bringing new challenges PVE. Ceatures! Sletmet undertakes our dream trip with a new arrival collaboration event Him! Visual quality unlocked, improved the classic graphics is played with a corner of the 3-D camera. We have once again updated the artistic direction after upgrading 60 fps high-res! The corner of the complete camera is unlocked, allowing even more details of the map to show. It has a more detailed character model and a more fluid movement than before. Visual effects, facial expressions and personal capabilities of new characters are more spectacular. APPRENING exploration in an open world, the adventure to a multi-linear and fragmented narrative, the game tells the EPIC that of the Midgard continent . With a non-linear map that is open and unbridled, the adventurers of all levels can explore wherever you want. Even the NPCs you meet have their own stories. Work classes and builds work constructions, which lead to Ultimate Change-Change! There suction are more than twenty different classroom branches, then find the right one for you! Furthermore, you can create all kinds of builds within all classes and master a variety of ability combinations. Help with your friends, let each class shine with their unique qualities and forge your path. Game gameplay and reducing grinds we tried a lot of new game modes: 6v6 team competition, battle of cake, thanatos tower, echoing corridor, etc. ; During the enrichment of the gaming experience, we also tried to reduce the minimum mechanisms and daily activities. The simulation-style gameplay helped reduce the amount of time spent for the monotonous adjustment content.
