Your application should include all of the necessary proof-of-eligibility documentation and the examination fee. The examination fee differs depending on your membership status:PMHNP Exam FeesMembershipExam FeeAPNA members\$220AANP student member\$290ANA members\$295AANP member\$340ISPN memberGAPNA memberNon-member\$395 Once your application is approved, you will receive a confirmation email containing your Authorization to Test (ATT) and information about scheduling your examination appointment.Test DayYou should arrive at the testing center 15-30 minutes before your scheduled exam appointment time. Once you arrive, you will be asked to provide two forms of identification, one of which must be a government-issued photo ID.You will be asked to leave all personal items such as cell phones, coats, wallets, food/drink, and notes in your car or in a secure locker outside the testing area.Once the check-in process is complete, you will be led to your testing station and given a short tutorial on the testing system before beginning your exam.ScoringThe PMHNP exam is scored using a criterion-based scoring system, which means that a group of ANCC subject-matter experts has evaluated the difficulty of the entire pool of questions and determined a passing score. The passing score is set using the modified-Angoff method, which means that your score is based solely upon your performance, and no other test-taker's scores are taken into account.Your score is reported on a scale of 1-500, with 350 being the minimum passing score.You will be able to see your preliminary scores as soon as you complete the exam. You will have to sign into your AANC account to view your final score report.PMHNP Online Prep CourseIf you want to be fully prepared, Mometrix offers an online PMHNP prep course designed to give you everything you need to succeed!Here's what you'll find in the PMHNP course:70+ Review Lessons Covering Every Topic700 PMHNP Practice Questions30+ Video Tutorials550+ Digital FlashcardsMoney-back GuaranteeMobile AccessEveryone learns differently, so we've tailored the PMHNP online prep course to ensure every learner has what they need to prepare for the PMHNP exam.Click below to check it out!Start Your PMHNP Online Course Check Out Mometrix's Psychiatric-Mental Health Nurse Practitioner FlashcardsGet complex subjects broken down into easily understandable concepts Get Your Flashcards FAQs It's time to start mentally preparing for the Psychiatric-Mental Health Nurse Practitioner Board Certification Exam. Sign up for a FREE trial of our Psychiatric-Mental Health NP question bank and save 10% when you use promo code QUIZ10 at checkout. Looking for ways to meet your CE requirements? Check out the BoardVitals Pharmacology CE activity. The following sample questions are similar to those on the examination but do not represent the full range of content or levels of difficulty. The answers to the sample questions are provided after the last question. Please note: Taking these or any sample question(s) is not a requirement to sit for an actual certification examination. Completion of these or any other sample question(s) does not imply eligibility for certification or successful performance on any certification examination. To respond to the sample questions, first enter your first and last names in the boxes below (this information will not be recorded; it is strictly for purposes of identifying your results). Then click the button corresponding to the best answer for each question. When you are finished, click the "Evaluate" button at the bottom of the page. A new browser window will open, displaying your results, which you may print, if you wish. This practice exam is not timed, and you may take it as many times as you wish. Good luck!
