Beauty comes from the inside, and so passion. The cryps passion for the fashion program talks about helping girls discover their own personal style, working on their self-esteem and individual goals. Each year, area schools hold their formal springs. This special evening should be a time when young people can enjoy the brightest side of life, feeling beautiful, happy and joyful. Unfortunately, many girls do not have the confidence to participate. For some, the financial barriers are in the way, it is unable to buy appropriate clothing for the event. For others, they launched their ability to carry out a different aspect, or to spend the evening socializing with their peers. Passion for fashion attempts to overcome each of these barriers. Every year Cripy holds a "Dress Drive" in March, during which friends from all over the United States send their evening gently used and formal clothing, as well as accessories, to the Cheyenne River for our collection. Our beautiful women benefit from that generosity, as well as an evening of fun, fashion tips and commitment with the role models of positive women in the Community. These individuals share their own stories and experiences in order to help our next generation of stronger and safer growing women. The passion for fashion has been a cryp program for almost 8 years, and every year, we are amazed by the wonderful reception that this program receives, both on and off the reservation. Thanks to all our wonderful sponsors who make this evening real! Return to April for the images of this year's passion for the fashion event! If you want to donate your formal clothing, please contact us for more information.
