Nowadays, you don't need a large computer or a system for playing online games as they have reached in your pocket like Android games. In all these online games, online Battle Royale games play a significant role as there are billions of global users who spend much of their time on the Battle Royale games. Most online Battle Royale games have published their beta version for Android devices with the high quality graphic supply as an unknown player Battleground (Pubg Mobile), Call of Duty Mobile, Free Fire Garena, Fortnite, and much more still. Among these games Battle Royale, Pubg Mobile has gained a lot of fame because of its high quality graphics and the collection of different modes, and again, this game is growing every day. Pubg Mobile brings a vast collection of updates every two months a new season, and until now, it has evolved until season 14. It will still experience a lot of functions during the mobile Pubg game as Battle Royale Pass, a variety of speakers , attractive gun skins, four types of maps, ten different ways, and more. In order to read this article just to get a complete knowledge about the mobile game Pubg as well as its distinct features. Pubg Mobile Pubg Mobile is an imaginative accident battle recovery of the online game that Royale is globally famous. Pubg Acronym of Player Unknownâ € ¢ s Battlefield, and was released in December 2017, inspired by the Japanese Battle Royale film. First it was launched only for computers and large consoles like Xbox One, PS4, Nintendo, and much more. But after vast popularity, they originated a game for Android to provide the same characteristics and HD graphics like the March 2018 computer around the world, taking the assistance of Chinese company Tencent. Mobile Pubg acquired in download 50m only in a single year of his launch, and even if we take a look at his statistics right now, mobile Pubg is holding 100m + download, which is immense. Also, you can also play mobile pubg on your computer and laptop by downloading an emulator called Gameloop. Provides you with a massive collection of exceptional maps, ways, armory, clothes, characters, and At each resource you need in a game Battle Royale. According to the detailed procedure, while playing the game Mode Battle Royale in Pubg, you start with a lobby of a maximum of 100 players, starting with players parachuted by a plane on one of the four maps that fall into their favorite locations on the map . Once they land, research research start The weapons, helmets, jackets and the Budhi, and then start looking for enemies and feel a lot to be the last man standing on the entire map. The last man standing gets a caption for the winner winner chicken dinner with enhanced XP and an advanced rank. Player levels in this game vary based on RP and bronze levels and up to Conqueror. It's a damn realistic game with lots of impeccable modes and features. So to be deeper in the Pubg universe, read the full article exclusively. Royale Pass Pubg Royale Pass is just like a paid upgrade for PubG, which guarantees you a tremendous collection of exclusive advantages, frames, emotes, coins, character skins, cannon skins and much more. This Step Royale costs 850.00 INR monthly for updating the © Lite and 2100.00 INR for the Elite Plus update. There is a significant difference between Elite and Elite Plus; This difference varies in terms of functionality, the number of activities and the updated level. Basically the Elite Pass updates 4000 UC programs with a 1-degree start, while the Elite Plus upgrade is composed of 10,000 useful prizes with a launch on the 25th degree. After completing the entire mission of Passo Royale, you will return the UCS you spent money. So to get Royale Pass every new season, you just have to complete each mission provided in a total of eight weeks. All resources within the Royale Pass update every single season of two months or eight weeks. Prime and Prime Plus Membership In addition to the Royale Pass, PubG also contains a paid membership option where you can get free UCS and access to a variety of goods that you can buy through coins. The Prime subscription also offers UC voucher weekly up to 600 UC. Mainly, the raw belonging is also divided into two categories: the features it offers and the amount of UC. The main registration costs 85.00 INR per month, and you can collect up to 150 UC a month like 5 UC a day from this membership only in 85.00 INR, and you can also get free access to the members store where you can buy most of the skins in coins. Prime Plus Inscription cost 850.00 INR per month and can provide you about 12 times more resources than the first subscription. Get this subscription, you can collect up to 600 UC per month as per 20 UC every day and 10 RP points a day more free access to the members store. The first subscription is the best way to earn low-cost UC to make use of the Pass Royale. 4 Incredible Mobile Maps PubG Mobile is a game of Battle Royale so you can easily understand the need for maps in this game. But in the case of maps, Pubg Mobile lived from when you can provide you with five different maps â € ¢ à, ~ "Erangel, Sanhok, Miramar, Vikendi and Livik. Livik is the map just launched in mobile Pubg, which launched about a few weeks Fa. Erangel is the first and most popular map of the mobile Pubg. It consists of over 25 different areas where you can get a sufficient cycle. In this map, there are a total of 5 areas of heat in which you will get you Enough booty and a large number of kills that are Georgopol, Pochinki, Military Base of Sosnovka, Novorepnoye and Rozhok. You must play this game in the Erangel map at least once, and you will surely enjoy it. The second map is Sanhok, which is in A final monster and consists of a massive amount of trees, bushes, mountains and forests. It is the most popular map of players after Erangel, and there are two hot areas in Sanhok, which are Paradise Resort and the Bootcamp. If you love The wet and smoggy areas, then you have to try And this map at least once. Miramar is a desert map that is completely covered with deserts and is the best map for snipers. It is the largest map All available maps in mobile pubs and contains large elegant areas. If we talk about hot areas within this map, there are a lot. You can get a sufficient booty everywhere on this map. map. If you want a huge number of kills, you can choose Los Leones, San Martin and El Plazo. Vikendi is the new snow map where you can get three separate types of vehicles - Snowmobile, Snow bike and Zima â € ¢ à, ~ "4 seats SUV and, you will also acquire a snowboard on which you can drive while you â € ¢ € king On snow. This map is composed of two hot areas, Dobre Mesto and Voltova. If you love snow-covered maps, PubG Mobile is the best option for you. The last and the map just updated is Livik. It was just launched about two weeks ago, and is the smallest map of the entire mobile pubg, which can only 15 minutes, which is also quite convenient to play short games. Contains only 60 players in total. â A map launched recently, and have released only a beta version right now, so you don't have the best quality in this map. There are some activities just launched on the Livik map that are the exclusive vehicle â € ¢ à, ~ "Monster Truckelite Armory - MK12 and P90 Variety of PUBG mobile guns contains a variety of pi Stole distinct. You can get each category of a gun in the mobile pubg as assault rifles, hunting rifles, sniper hunting rifles, hand guns, guns for light machines and submission guns. There is a vast collection of armories available in mobile pubg. List all the significant weapons underlying with their category - Assault Rifles â € ¢ à, ~ "M416, AKM, M762, Groza, Aug, Scar-L, and very freshotguns â € ¢ à, ~ "S686, S12K, Sawed- OFF, and S1897BOLT Action Sniper Rifles - Karabiner 98 Kurz (Kar-98K), M24, AWM and Win-94marksman Sniper Rifles â € ¢ à, ~ "VSS, Mini-14, SKS, MK-14 and Sisubmachine guns â € ¢ à, ~ "Vector, Uzi, UMP-44, Tommy Gun and P90" M249 and DP28HandGuns Machine Guns â € ¢ à, ~ "Desert Eagle, P92, P1911, R1895, P18C, Skorpion and Flare Gun You will also receive a variety of melee weapons With mobile pubg, such as machete, pankbar, scythe and the most beloved pan. In addition to all these weapons, you will also get a crossbow of the action weapon of the high damage bolt. Also, it also contains a flare gun with which you can call the supplies of Airdrop and get premium weapons such as AWM, M249, Groza, MK14, Aug, and the db recently added. You can also call DMRS if you want a vehicle instead of weapons using flare off the game zone. Further stunning arena corresponds to the Arena games are only simple games from 3 to 5 minutes. At Arena matches, players are free to collect guns and fight at the same time to score higher with infinite respawn and win matches. Basically, the arena matches are of four types, which are the formation of the arena, the Deathmatch team, the domain and assault (map of the ruins). Arcade matches correspond to arcade games are the first custom models of mobile pubg after the Royale battle. These are all small games that can complete in about 5-6 minutes and can provide you with immediate fun. There are basically three types of games in arcade matches â € ¢ à, ~ "war, rapid game and formation of the sniper. The sniper training game contains only sniper weapons. The war is a single type of gun game like AR, snipers and SMG, and in the end, the rapid game is only simple games such as Battle Goyale Battes, which rap over 5 to 6 minutes. Playlab Playlab is the recently launched EVO type of land composed of two types of matches - Ragegear and Payload. The RageGear mode has infinite respawn in which you will receive 1 point for every destroyed enemy vehicle, and you have to damn more vehicles to win the game. The payload is one of the best mode of mobile Pubg. In this mode, You will get the same interface as Battle Royale with huge RPG weapons. Features Virtual currency types There are a total of four types of points or coins in the game that is useful A lot of pubg goods. These four types of currencies are gold coins, silver fragments, UCS and the money just launched â € ¢ à, ~ "AG, which you can use to buy clothes and articles in the PUBG Mobile Red Seeter Shop if you don't save Silver enough. All these currencies, the UCS are ll And the unique ones you can use for the purchase of most gun skins, cases, Pass Royale and much more. Play online with friends one of the best features of Pubg Mobile is its online interface and has a damned fresh interface. You can play online with your friends in over ten modalities and have fun. His maps and his gun skins will you experience the fall in love with this game, and there is also a variety of different modes to play so as not to have ever bored to play this game of Battle Royale. Attractive asset skins in mobile pubg, you will receive a damn exceptional collection of guns, parachutes, vehicles, butteratti and many more category skins. In all these skins, most skins are paid so that you can pay for the UC before, and then you will get those assets. Furthermore, if a first member of Mobile Pubg subscription, you will have access to the member store where you can buy exceptional cloth skins in gold coins and silver fragments. There are still many other clothing skins that you can get in the soldier speakers to collect fantastic skins. You can also get many unusual gun skins and emotes from the passage of the battle if you buy one. Then download Pubg Mobile right now and examines all the skins and choose your favorite. Gratifying events apart from daily missions and Battle Royale missions, there are also missions of events available in Pubg with changes with different events and updates every day. These events can help you collect huge gun skins, AGS, silver fragments, UC powerlashes, speakers, creative fighting set, characters coupons and much more. Sometimes most events increases on an UC base, which basically helps you buy low-cost UCS or provide you with large items to low UCS. Free prizes Every season All the significant PubG awards are based on the seasons and anniversaries of the year. Whenever the season updates or improves, you can get new updates list reward by completing some of the missions. You can also push your grade per season because the highest ranks also contain a lot of rewards as an Ace Tier can provide you with the â € ¢
