link Welcome to NetMirror! At netmirrr.app, we believe entertainment should be easy, free, and accessible to everyone. Thats why we created NetMirror, the all-in-one streaming solution that brings together your favorite movies, TV shows, and web series from Netflix, Prime Video, Disney+ Hotstar, and more without any subscription fees or annoying ads. Our mission is simple: unlock unlimited entertainment for every device and every user worldwide. Whether youre using Android, iOS, PC, or Smart TV, NetMirror gives you instant access to high-quality streaming in Full HD and 4K without the usual hassles. We are passionate about innovation and user experience. Our lightweight, secure platform ensures a seamless, fast, and ad-free viewing journey, while our commitment to privacy means your personal data always stays yours. Why Choose NetMirror? 100% Free and Safe Streaming No Subscriptions, No Ads Multi-Device Support (Android, iOS, PC, Smart TV) Regular Updates and New Features A User-Friendly, Netflix-Like Interface Since launching, thousands of users worldwide have trusted NetMirror to power their daily entertainment. And were just getting started! A simple Android app aims to offer 50+ OTT content for free in multiple languages & 1080p (FHD) resolution. Yes, its completely safe. You can stream your favourite content in HD quality (1080p) if you have a stable internet connection. Go to settings and enable 1080p quality. Yes, its a one-time ad for app opening. No, however, you can use it through iosmirror.cc The only supported browser is Safari. Just simply open pcmirror.cc on any web browser. Register an account and log in. You can ask us through the Telegram Group. Follow 2 Easy steps to install NetMirror app on your android mobile. Download APP Step: 1 Download Our App and Install It. Enable(ON) install unknown apps on Setting > Security and privacy > install unknown apps > Google Chrome. Step: 2 Ready to Use, Open it and Enjoy. Available on phone and tablet, wherever you go. Follow 3 Easy steps to install DODO Webview app on your IOS (Iphone) mobile. Download IOS DODO APP Step: 1 Search DODO Webview App on Apple App Store. Step: 2 Type Site URL. Step: 3 Turn ON all 3 Buttons and click on Open Webview. NOTE: DODO webview is a third party app, we have no control over this app, it is just a webview app on which we just open our site just like we do in a browser. PC Users Just click on Go To Home button for movies and series. Use Google Chrome and Mozilla Firefox for better performance. Go to Home Download Android TV APK. We Tested on Android TV and Google TV. Download TV APK
