We happily exchange towels that are left on the bathroom floor. We loved our short stay at U Boutique Hotel. Our room was very spacious, the furniture was modern and very comfortable. There was a full kitchen so we could cook a few meals. The location was convenient to explore all the main sights downtown. Maybe we got lucky and got an upgrade, but we had tons of space and could've definitely stayed longer! Highly recommend visiting the Te Papa museum which is nearby and free What a great hotel! The room was nice with a balcony. The shared bathroom was large and clean. Hot water. The staff was nice and welcoming. The breakfast was great! Within walking distance of New World, Cubs St, the train station, the harbour, the cable car etc. Great location and very clean. It is not a luxury hotel but such great price. Must admit, they upgraded our room so we definitely got our money worth. They allow pets which is a bonus for pet owners. Staff was friendly and helpful, although they aren't there all the time. Check in was pretty straight forward, you just need to read the email instruction carefully. We left our luggage there as we had a whole day before our evening flight and they were very helpful.
