Since performing the sacrifice also causes serious injury, it is beneficial to do this with a young and healthy ruler (such as the Hound. Target non-germane temples whenever possible, as each one raided adds +1% to MA for 20 years. Keep the counties of Rome, Alexandria, Jerusalem, Antioch and Constantinople straight, and leave bishops of the wrong religion on temple property, until you have all five and meet the other conditions. As a result of his invasion victory, William's new exploits will have the negative modifier "recently conquered", which disables the exploit rate for one year, making raiding much easier. Before spot 2.8 there are five coastal Silk Road provinces in India, visible on the trade route map: Debul, Navasarika, Mahoyadapuram, Vijayawada and Candradvipa. Dismiss your mercenaries. However, note that Karl's personal combat ability may be better than yours. He sent a eunuch to the Chinese Emperor The man he sends doesn't have to have the eunuch act. Disable Jade Dragon so you don't have to fight China and then start your game again. You are likely not to be hurt several times during the quest for the legend, which consists of increasingly difficult duels. A Curious Trinket also wins. HAA intentions stein de Retz 867 There is another good food, because it can easily take all of Brittany and then prepare an invasion of West Francia without much difficulty. 3 of the counties you do not need to complete Khotan are owned by the Western Protectorate. 3.0 And execute 10 or more prisoners in a single act. Don't forget to imprison and execute your artistic guide in order to obtain also the conquest of "Eternity Denied". All requirements are fulfilled except the actual creation of the kingdom. By winning, you should not become the target of the crusade if you are still in the preparation phase. 2.4 VE Not married Not married Click on the "Arrange Marriage" van next to your portrait on your character's screen. If you do not choose this path, you cannot combine this feat with the "Sword to Plow" feat (wait for Roland, who became your friend 350 days after he joined you, make him a merchandise and immediately settle him). The other option will be to join the Assassins as a vassal of the target and kill his target, and I will do so. Therefore, its initial focus will be strengthened until a crusade by Jerusal occurs. During a prep crusade, there's a hip 3 the idea of the target moving to Tricia. You won't lose the ability to invade, but the conquest of the CB county makes this feat go much faster. Saxon provinces in the de jure Kingdom of England after 1100 to become English. Plotting to kill becomes easier after ranking up once, as you can invite other Assassins to your plot. Marry a first set of two bloodlines matrilineally then do it with another set of two bloodlines. Spy on your liege and have him kidnapped. Shia is the most ideal
choice as it has the highest moral authority due to owning most of the holy sites. County conquest the Assassins (Fedayeen) in Daylam as they're likely to target decadent rulers. Before starting the game, disable Horse Lords. Alternative: As a Norse ruler, unite an empire (Scandinavia or Britannia should be easy) and run amok across Europe and
Asia¢ÃÂconquer and raid from the sea. Create duchies until you have enough prestige to convert to the local religion, Sunni. 2.1 VE Divorce a Lombard Princess as a Christian Divorce someone who is: Lombard culture female Whose father must
be a king or emperor. Next, take the title of your vassal with a castle. The easiest way to fulfill this is simply to completely control Rajastan, so this achievement may be easily combined with "My Very Own Subcontinent", or "Saint Thomas's Dream". Just let your beneficiary's kingdom fall to the next jihad and try again in the next crusade. 3.0 E Start a
Random World with all possible settings set to ¢ÃÂÂRandom¢Ã and play for 200 years. If you don't want to wait the last Lombard ruler available is the Count of Capua from 1092 through 1097. Refrain from holding any land within the de jure Papal States duchy (Latium). Stockpile 1500 piety before converting so you can take the "Become
Saoshyant" decision immediately, as all your titles will become gavelkind upon conversion, making an untimely death likely to split your in two. Starting As Gaznà © Life Sultanate in 1066, one can easily get this achievement, simply forming the Kingdom of Punjabe. Spymaster is particularly deadly for low intrigue characters, and Marshal is the only
position where you will never be attacked due to his work. He starts as the chief of Ngermanland in the "late-day late" marker, lend the Jews (requires children of Abraan DLC), begin to build the last level of the Castro, and Reform . Do not marry and expect your adopted child to inherit. Begin by converting to Turkish (click
on the right mouse button on your character's picture and convert to the culture of your leader) to attack your Shiite neighbors. Accumulate 250 of prestige; This will allow you to make the next steps quickly and therefore will not suffer much time with the negative modifiers that it will give to your vassals. The 769 Abática Impécio
Controls Mecca, Medina and Jerusal, so to invent a claim and go to war on Rome can get you this achievement as well. Alternatively, he waits for an epidemic to reach his county, and then close the gates. Make your Marshal suppress revolts in the capital of your child and focus on intrigue to increase the chance of a successful prison. 2.3 VE establish
a mercenary of steppes with more than 20 martial in their lands. This is also easily reachable by restoring the Roman impetus. Consulted on July 15, 2012 "The Alexad" Bookmark The King of Croatia ". Strategy: Although males can use the decision of profane impregnation, the resulting child will be born with a parent Unknown and will not inherit
anything. Without the DLC of Carlos Magno, this may be easier coupled with the iron crown, since the lombard culture is almost extinct in 1066.
