How do you know where to start? First, you need to choose a biblical passage to preach. But what verses will you teach? If you are a perverse preacher, like most pastors, the number of options can be overwhelming. So here's a list I compiled of 100 sermons to preach. I prefer the balance between topical preaching and perverse verse. So I look through this list when I don't know what to do to preach more than others. This list helps maintain my balanced sermon calendar. You could easily preach a series of sermons on each of these topics. It could fill the calendar for the next 7-10 years. Note: The verses listed for each subject are not intended to be each verse on the subject. There are many other topics that you could preach too much. These are just a few examples to start in the right direction. Alphabetical. 1. 10 Commands Exodus 20:2-17, Deuteronomy 5:6-22 2.
