Bonjour paresse

De l'art et de la nécessité d'en faire le moins possible en entreprise

Bonjour paresse de nuit ou manuel de management ? Non, Bonjour paresse est la pour dire enfin la vérité. Et la voici : la grande entreprise, pensons-y un instant plus. La foi sous a quitté, nous autres maigres chevaliers combattants de l'Ordre de la Firma. À priori les cadres moyens, petits bougres dans une machine jargonant un sabir grotesque, n'attendent qu'une chose : le salut à la fin du mois. Mais alors, que faire ? Rien surtout ! Affirmez ce livre. Soyons individualistes et inefficaces en attendant que ça s'éclaircisse et qu'une nouvelle société advenue où chacun cultivera essentiellement son jardin et conservera un accès accidentel dans une grande structure, se verra d'obtenir une petite feuille de paie indispensable à la survie. Ce livre est un opérette (sans ruygahles) spécial sinistre, à usage thérapeutique.

Certaines Mises en dominance, accueillent à temps partiel à EDF, elle mesure l'essentiel de son temps à la psychanalyse et l'écriture.
