Pink asked Chris Stapleton to help us with one of the most felt songs of his new album, and it seems that he really hears the text of "Love Me Anyway". The pop star wrote the ballad with Allen Shamblin and Thomas Douglas, and appears in his Hurts 2B Human project. In a video of the recording session with Stapleton, you can see how Pink is impressed by his voices». Chris Stapleton is the best I've ever done," says via Twitter: It is not Pink's first rodeo when it comes to country collaborations. He had a No. 1 with Kenny Chesney in "Setting the World on Fire", and sang his song "Barbies" at CMA Awards 2017. "Barbies" was co-written and produced by Ross Golan, who worked with Keith Urban and Lady Antebellum. Stapleton's voice in singing the lyrics of "Love Me Anyway" is nothing but a country full of soul and master, but he also lent his voice to other pop projects, working with Justin Timberlake on several occasions. Stapleton also co-wrote the cover of Adele of SteelDrivers' "If It Hadn't BeenforFor Love". Pink and Chris Stapleton's «Love Me Anyway» Text:Verse 1: Pink Even if you see my scars, even if I break your heart /Â If we're a million miles away, do you think you'd leave? / If I lose the voice / Flirting with all the other guys, what would you say? Chorus: Rosa, could you? / Can you still love me? Towards 2: Rosa and Chris Stapleton Is it in good or bad, or am I just your good-time girl? /Can you still hold me when it hurts, or do you want to leave? / Even if I scandalize you, I cut you and criticize you / Really? Oh, really? Oh, really? Really? Can you? / Could you love me the same? / Could you? Outro: Rosa and Chris Stapleton Could you? Can you still love me?) /Can you? Con you pick up the pieces of me? (Can you still love me?) /Can you still love me?) /Can you? Can you still love me?) /Can you still love me?) /Can you? Can you still love me?) /Can you? Can you? Can you? Can you still love me?) /Can you still love me?) /Can you? Can /Can you? Can you take me when I fall? (And we elevate ourselves above all) /Power? (And shake me when it hurts) /I can't stay here in the world, can I? Would you? Really? Non-Country Artists Who Unexpectedly Went Country @ 2021 Reproduction reserved. Rockol.com S.r.l.
