AdventureQuest Worlds AQQWorlds is a browser-based MMORPG created exclusively with Adobe Flash, which includes standard game elements such as a whole world to explore, real-time RPG fights, fantastic weapons, armor and equipment, faithful animals and epic missions. The players are charged with hunting down and defeating the Thirteen Lords of Chaos and their leader, Drakath. AQQ is of particular interest to parents for its educational qualities, how to make children practice and improve reading skills, and for exercising their abilities Page 2 Anarchy Online is Anarchy Online is a free-to-play MMORPG set 30,000 years in the future, in the Rubi-Ka desert. The players become a new Rubi-Ka settler, and must join one of the three factions: Omni-Tek, The Clans and a neutral faction. Since its launch in 2001, AO has built a solid basis of functionality, including a maximum level of 220, 4 humanoid races, 14 professions and 83 ability to choose from, in addition to the freedom to play. Anarchy Online was the first science fiction MMORPG, and Page 3 Angry Birds Epic is Angry Birds: Epic is a free role-playing game with the characters of popular Angry Birds games in Rovio. Set on Piggy Island, the adventure will involve favorite birds such as Red, Bombb, Chuck and others, while exploring the island's various environments and facing the Pigs. Players will engage in shifted battles and earn upgrades for armor, weapons, potions and character skills. The game also has a weapons creation system that allows you to create a fun game Page 4 ARK: Survival Evolved is ARK: Survival Evolved, powered by Unreal Engine 4, tackles the survival genre with a unique mix of emerging multiplayer cooperation and competition. Players wake up naked and hungry on the beach of a mysterious island among a bunch of other confused human beings. On ARK, they must then Collect, do technological research, and build shelters to protect themselves from burning days, cold nights, volatile weather. volatile. Dangerous wildlife and potential enemies. Use Page 5 Atlas Atlas is the latest scale survival MMO with more than 40,000 simultaneous players in the same world. Join an endless adventure of piracy and navigation, exploration and progression, settlement and civilization building, in one of the greatest game worlds ever! Explore, build, conquer! MMO on the Largest Scale | Explorers will come to over 700 mmas of unique land over 45,000 square kilometers, with thousands of Black Desert Black Desert Black Desert is a Sandbox PC MMORPG published and developed by Pearl Abyss. BDO is an MMORPG featuring Sieging Castle, commerce, crafting, player housing, parkour, animal husbandry, banking investment, fishing, cooking, carpentry and carpentry and load more. Players will appreciate the jaw graphics, the intuitive skill-based combat and the immersive story set in an expansive world just waiting to be explored. Accompanied by a black spirit, a companion Page 7 Blankos Block Party A Blankos Block Party is an MMO set in a vibrant online world styled as a giant block party, with a focus on custom art and design, global building and unique Blankos exploration and collecting. Blankos are fun and mischievous vinyl toys brought to life. Inhabiting the intersection, their offbeat world, they love good vibes and good times! Party Up Features: Join your team, jump in courage or get explored. Page 8 BOUNTY BAY ONLINE is a free historical nautical mmorpg that establishes players as pirates and explorers from the 14th to the 16th century. At the time of seafaring legends, such as Christopher Columbus, James Cook, and Vasco da Gama, players could take to sea in their ships to fight and mythical creatures, navigate the ever-changing political climate, or seek a less adventurous lifestyle as a farmer or artisan. In BBO, players write the history of the world.
